President Trump has just called for a protest in DC on the day Congress counts electoral votes.

Imagine this, reports will be released showing foreign interference and deep state corruption that were directly involved in meddling in the election. Everyone knows the depths of corruption..

These Democrat and Rino Congressmen are forced to a vote whether or not to confirm the results of this election while thunderous stomps and chants are erupting outside the building.

You think that might encourage them to do the right thing? A million angry Patriots outside their doorstep while they try to steal our vote from us?

Things are coming together. Hold the line! President Trump has this under control!

Yes, there will be a buildup to this crescendo. All will be revealed and the streets will be full.

KEEP IT PEACEFUL unless Trump says otherwise (or self-defense obviously)

It's the strength of numbers that matter, everyone who can go should go.

During proceedings all someone has to say is "if you are worried about riots, be worried about what the patriots outside are going to do"

Outside the building? We will outnumber every body guard and oath breaker protecting the Chinese assets meeting in the Capitol.

We should be looking into the chamber when Pence counts the votes.

That would be fun. maybe send someone with a megaphone to detail our demands

100% of members of congress must reject the fraud

Anything else is unacceptable

If we push our way in they simply can't stop us. Won't have to fire a shot.

If they shoot us, the second revolution starts right then and there.

Anyone remember the details of the French revolution?

I wonder just how peaceful it will be if they do the wrong thing. And I wonder if there would be enough force immediately available to stop what could happen.

I wonder...

They will be slaughtered, torn limb from limb... Unless they choose the will of the people.

They will not be voting in person. They will be sitting at home on a giant zoom call.

Why don't we take the building? Why not put a few of the traitors on trial ourselves?
